There are no BIDs along the first area you listed on Lankershim. For the second area you listed, what street are you asking about between Hubbard and Terra Bella?

Thanks  
Mario

The second project is on Foothill Blvd. The cross streets at the beginning and end of the project are Hubbard and Terra Bella.

Hello Mudia.

The streets are listed in each BIDs Management District Plan. Each Management District Plan list the boundaries by street. Please copy the URL below to your web browser. I don't think that we have it laid out readily available.
